

**Call to Prayer**

In order to start 2012 right, we will be fasting & praying on **January 26-28**. We've been experiencing a lot of spiritual warfare and know the place to win that war is on our knees.

Please feel free to join us as you can. We've listed some key prayer items below.

- Wisdom as we start the next Bible School in a Briefcase
- Planning & direction for our first BSIB Alumni Conference—June 5-7
- Wisdom for direction & timing as we plan to launch the 2nd year program for BSIB graduates
- Complete funding for Training & Equipping 2012
- Provision & planning as Katie prepares to leave Africa and go to college in fall 2012

**Training & Equipping 2012**  
**Project Goal: \$25,000**

Training pastors is what we do!  
 And now you can be involved.

"Training and Equipping 2012" is a scholarship project. You can 'purchase' as big or as little a scholarship as you are led or able from \$100 upwards. There are those who could give a \$500 scholarship, or \$2500. Our BLM team is believing for \$25,000 in scholarships to come in through this project!!

Step out in faith with us!

**FAMILY MINISTRY**

*This month, it was exciting to get to minister as a family. We were able to minister through music at New Song Nairobi. We are grateful for all the Lord has done in 2011 and that makes it easy to worship Him!*

**Family Life**

Sharing Christmas with fellow missionaries, Jerry & Deborah Smith, was a huge blessing for our family.

We also enjoyed a wonderful Christmas Eve service at International Christian Fellowship. Being with a roomful of missionaries singing "Go Tell It on the Mountain" on Christmas Eve is an incredible experience!

In addition to our Christmas festivities, Katie did a recital as part of her "final exam" for an independent study in musical theatre. She sang, performed dramatic and comedic monologues, and tap danced!
